

OUR MOBILE OVEN:

Introducing our newest addition to the Red Tomato Pizza Family! The **Red Tomato Pizza Mobile Oven**. The Mobile Oven can be rented for your next company function or a family event when you would like to enjoy an assortment of **Artisanal Pizzas**. Below are some additional facts about the **Red Tomato Pizza Mobile Oven**:

The **Red Tomato Pizza Mobile Oven** comes complete with all the fire wood needed. Hickory, Oak and Maple are some of the variety of wood used. Reaches temperatures of 900 degrees and pizza cooking time is usually 90 seconds by a professional pizzaiolo

Our pizzas are made on site. We use our own fresh dough, hand toss them and cook them in our mobile wood fired pizza oven.

Pizzas are all 12 inches in diameter. The Mobile Oven can fits 10-12 pizzas, therefore production can be between 50-75 pizzas per hour!
