*Purveyors of raw dog food and natural treats to provide optimal health  
and vitality for your dog*

*FAMILY OWNED AND OPERATED BUSINESS!*

### **OUR FOCUS**

The focus of Raw by Design is centered around canine health and well-being. We believe dogs are meant to eat raw and human grade food along with all-natural made in the USA bones and treats.

### **BENEFITS**

- Healthier, shinier coat
- Pearly white teeth
- Lean muscle mass
- Improve weight management and digestion with less waste
- Overall improved health and wellness
